

Bendix brake pad selection guide

The table below allows you to match your vehicle and driving style with the right type of brake pad. This selection process is designed to maximise the life and effectiveness of your brake pads for your particular application. Please consult your vehicle's car mechanic for further advice or contact the Bendix Brake Advice Centre on 1800 819 666 (8am-5pm Mon to Fri) or visit www.bendix.com.au
